Official Invitation

International Trade Union Forum in Solidarity with Syrian Workers and People to Break the Economic Sanctions and in Rejection of Imperialist Interventions

GFTU Syria is pleased to cordially invite you to participate in the 3rd International Trade Union Forum entitled: "International Trade Union Forum in Solidarity with Syrian Workers and People to Break the Economic Sanctions and in Rejection of Imperialist Interventions".

After the great victory achieved by Syrian people against the internationally funded terrorist forces and the liberation of more than 90% of the Syrian territory, the colonial imperialist forces of the United States and its allies continue their efforts to break the will of the great Syrian people by continuing to impose economic sanctions and blockade. Therefore, we count on your participation to send a strong message to Syrian workers and people that they are not alone against terrorism and imperialist aggression and that this forum and similar ones will contribute to lifting these unjust sanctions. We will therefore be very grateful for your presence in this important solidarity forum.

The Forum will be held in Damascus/Syria on 8-9/9/2019 at Sahara Complex Hotel. The General Federation of Trade Unions in Syria will cover the local expenses of transportation, accommodation and food. Delegates are therefore requested to purchase their own tickets. Each organization may send up to (3) delegates to participate in the Forum.

Please complete the attached questionnaire and send it before 20/8/2019. Interpretation will be available in Arabic, English, French, Spanish and Russian. Please send your speech in no more than 7 minutes before 25/8/2019 to ensure the proper running of the preparation of the forum.

For any inquiries and to confirm participation please contact us by e-mail to the Syrian Workers Union: gftu_sy@yahoo.com
